Proposal 1

Proposal on Changing the Registered Capital and Amending the Articles of Association of the Company

To all shareholders,

On June 11, 2025, the Company deliberated and approved the *Proposal on the Repurchase and Cancellation of Some Restricted Shares* at the 30th meeting of the sixth Board of Directors of the Company.

Given that among the incentive recipients of the first grant under the 2023 Restricted Share Incentive Plan, 10 of them left office due to job transfers beyond their personal control or company layoffs, and 2 of them left office due to retirement, the Board of Directors intend to repurchase and cancel the 48,000 restricted shares already granted but not yet unlocked for these individuals, at the repurchase price of RMB 23.88 per share plus interest calculated based on the deposit benchmark interest rate for the same period published by the PBOC. Additionally, among the said incentive recipients, 59 of them resigned voluntarily for personal reasons, and 1 of them was dismissed by the Company due to personal misconduct, the Board of Directors intend to repurchase and cancel the 223,500 restricted shares already granted but not yet unlocked for these individuals, at a repurchase price of RMB 23.88 per share. Furthermore, as the company-level performance assessment for the second unlocking period of the first grant under the 2023 Restricted Share Incentive Plan failed to meet the standards, the Board of Directors

repurchase price of RMB 14.56 per share plus interest calculated based on the deposit benchmark interest rate for the same period published by the PBOC. Additionally, among the said incentive recipients, 15 of them resigned voluntarily for personal reasons, the Board of Directors intend to repurchase and cancel the 107,700 restricted shares already granted but not yet unlocked for these individuals, at a repurchase price of RMB 14.56 per share.

To sum up, this repurchase and cancellation involve a total of 3,174,980 restricted shares already granted but not yet unlocked. The Company will apply to the CSDC Shanghai Branch for handing the procedures for the repurchase and cancellation of the said restricted shares. After the completion of the repurchase and cancellation, the Company's registered capital will change from RMB 1,701,522,003 to RMB 1,698,347,023, and the total number of shares will change from 1,701,522,003 to 1,698,347,023.

The Company will amend Article 6 and Article 20 of the *Articles of Association*. The specific amendments are as follows:

Article 6	

meeting, after its approval, authorizes the Board of Directors and relevant personnel to complete the procedures for industrial and commercial registration of change, filing of *Articles of Association* and other related matters. The content of the said changes is subject to that finally approved by the industrial and commercial registration authority. The Company will promptly apply to the industrial and commercial registration meeting.

This proposal has been approved by the 30th meeting of the 6th Board of Directors of the Company and is now submitted to the shareholders' meeting for deliberation. For details, p
